CASES Webinar Series: Interviewing Skills and Techniques

November 23rd, 2022 12-1pm CST

Interviewing is an art which requires patience, understanding, and conversational skills. This webinar will walk through some key points of successfully conducting a video interview and feature some pitfalls to avoid. These skills, you will find, apply well beyond the interview.

Amanda Byrd is the Chief Storyteller at ACEP. In her current role, she shares ACEP's research news through the weekly newsletter ACEP This Week, films and produces short videos that tell Alaska community energy and food stories.

Join us on November 23rd to hear more about this topic!

The presentation will be live through Zoom
November 23rd 12-1pm CST (Saskatchewan)
