COMMUNITY APPROPRIATE SUSTAINABLE ENERGY SECURITY

## CASES Guest Lecture

Jordan Peterson, Affinity North

## Systems Thinking & Wicked Problems

March 23, 2023 4:00-5:30pm

263 Arts, University of Saskatchewan

Please join us at the University of Saskatchewan for a guest lecture exploring systems thinking and wicked problems from an Indigenous perspective. Through interactive discussions and activities, we'll examine how Indigenous ways of knowing and traditional ecological knowledge can inform our understanding of complex systems and their interconnections.

Jordan Peterson is the former elected Deputy Grand Chief for Gwich'in Tribal Council and is currently principal and chief disruptor at Affinity North, an Indigenous-owned consultancy focusing on building stronger and more successful communities.

**If you are unable to attend, the presentation will also be live through Zoom**

**March 23rd 4-5:30pm CST (Saskatchewan)**
